Social Media Opportunities For EGG

Presentation by Rod Kirk

EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

Mission

EcoGreen Group creates professional and entrepreneurial opportunities in sustainability and clean technologies through education, professional development, industry collaboration, and networking.

The EcoGreen Group fulfills this mission through our

- online blog,
- social media,
- collaborative workspaces,
- volunteer opportunities,
- member projects,
- weekly and monthly meetings,
- and speaker events on specific sustainability topics.

Livermore City Council Hearing on Fracking

SUMMARY: We are on the verge of turning our groundwater over to a spill-prone oil fracking company that could pollute underground water around Livermore! State regulators will take public input on a proposal involving the one oil field in Livermore at a January 11th 5 PM meeting. ----- The public hearing is scheduled for 5 p.m. January 11 at the City...

Creating Opportunities for Sustainability and Clean Technologies

SAVE THE DATE

On January 25th at 6:00 p.m. in Stockton, Restore the Delta policy analyst, Tim Stroshane will be reading from his new book “Drought, Water Law, and the Origins of California’s Central Valley Project.” Come join us at the Restore the Delta office for a graduate-level class in California Water History. Books will be available for purchase.

Restore the Delta is located at 42 N. Sutter St, Suite 506 Stockton, CA

EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

Have you submitted a public comment on the critically important Bay-Delta Water Quality Control Plan yet? The State Water Board has extended the submission of written comments to March 17, 2017 by 12:00 p.m.

If not, please plan to submit a comment today. For details on submitting a public comment or for more information on this plan, [click here](#).

SUBMISSION OF WRITTEN COMMENTS

The State Water Board will accept both written and oral comments on the proposed Plan Amendment and the SED. Written comments must be received no later than 12:00 noon on March 17, 2017, and addressed and submitted to:

Jeanine Townsend, Clerk to the Board
State Water Resources Control Board
1001 I Street, 24th Floor
Sacramento, CA 95814-0100

Comment letters may be submitted electronically, in pdf text format (if less than 15 megabytes in total size) to the Clerk to the Board via **e-mail at** commentletters@waterboards.ca.gov. Please indicate in the subject line:

“Comment Letter – 2016 Bay-Delta Plan Amendment & SED.”

You may also submit your comments by fax at (916) 341-5620. Electronic submission is preferred, but not required.

Couriers delivering comment letters must check in with lobby security personnel, who can contact Jeanine Townsend at (916) 341-5600.
