Creating Opportunities for Sustainability and Clean Technologies

## Mission

EcoGreen Group creates professional and entrepreneurial opportunities in sustainability and clean technologies through education, professional development, industry collaboration, and networking.

The EcoGreen Group fulfills this mission through our

- online blog,
- social media,
- collaborative workspaces,
- volunteer opportunities,
- member projects,
- weekly and monthly meetings,
- and speaker events on specific sustainability topics.

# EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

## **Join a LIVE broadcast of *Forum* with Michael Krasny at San Jose State's University Theatre!**

KQED in partnership with Bridge Bank, is proud to bring this beloved show to Silicon Valley. Come participate in a lively conversation.

### **9AM Mayor Sam Liccardo on his 2016 Agenda**

San Jose Mayor Sam Liccardo took office just over a year ago, pledging to expand the police force, improve city services, and attract more tech jobs to the city. In a special broadcast from San Jose State University, we'll talk to Mayor Liccardo about his priorities for 2016 and take audience questions on range of issues including education, the economy, housing, public safety...and the mayor's first-year record.

### **10AM Race on Campus**

In November, the president of the University of Missouri system resigned amid protests over racism, tensions which spread to colleges across the country. In this hour, live from San Jose State University, we'll talk about racial issues on campus, the balance between tolerance and free speech, and efforts to promote dialogue and healing.

## **Keeping the upside of recycling in California**

Select Committee on Waste Reduction & Recycling  
in 21<sup>st</sup> Century California. 1st Hearing: (08/15/2015)

Leaders from across the state discussed what we  
need to do, collaboratively, to meet the statewide  
goal of recycling 75% of our waste by 2020

Selections will be shown:

00:08:00- Intro by Rich Gordon, CalRecycle;

01:35:00 - John Wick, Marin Carbon Project , 02:26:45
