Agenda

- 8:00 – 8:30 Self-introductions
Mission of EGG
Upcoming programs,
events & jobs
- 8:30 – 9:30 **Bay Delta Water Quality Control Plan**
(Group discussion on action to take)

EcoGreen Group of Silicon Valley
Creating Opportunities for Sustainability and Clean Technologies

Self-Introductions

EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

Mission

EcoGreen Group creates professional and entrepreneurial opportunities in sustainability and clean technologies through education, professional development, industry collaboration, and networking.

The EcoGreen Group fulfills this mission through our

- online blog,
- social media,
- collaborative workspaces,
- **volunteer opportunities** (see Rod)
- member projects,
- weekly and monthly meetings,
- and speaker events on specific sustainability topics.
