Creating Opportunities for Sustainability and Clean Technologies

Self-Introductions

EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

Mission

EcoGreen Group creates professional and entrepreneurial opportunities in sustainability and clean technologies through education, professional development, industry collaboration, and networking.

The EcoGreen Group fulfills this mission through our

- online blog,
- social media,
- collaborative workspaces,
- **volunteer opportunities** (see Rod)
- member projects,
- weekly and monthly meetings,
- and speaker events on specific sustainability topics.

Event

“A Scientific Call to Action”

Andrew Gunther models how to “talk science” to a non-technical audience in his presentation, Dr. Gunther will also share ideas for addressing the concerns of climate change skeptics.

Tuesday, April 18, 7:30 pm

Our Lady of the Rosary Catholic Church
3233 Cowper St., Palo Alto

Sponsored by St. Thomas Aquinas Parish and Peninsula Interfaith Climate Action (PICA), the talk is free, followed by time for questions and answers. Come for refreshments at 7:15 pm.

Please RSVP to Debbie Mytels at dmytels@batnet.com and put RSVP in the Subject Line.
