EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

Mission

EcoGreen Group creates professional and entrepreneurial opportunities in sustainability and clean technologies through education, professional development, industry collaboration, and networking.

The EcoGreen Group fulfills this mission through our

- online blog,
- social media,
- collaborative workspaces,
- volunteer opportunities,
- member projects,
- weekly and monthly meetings,
- and speaker events on specific sustainability topics.

EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

Join ProspectSV as they present the Innovation & Impact Symposium on June 14th, 2017! Located at the Microsoft Conference Center in Mountain View, this event will feature the region's leaders from the startup, corporate, public and research communities to examine what it takes to integrate and implement solutions for maximum impact. Formerly the Connected and Charged Symposium, the event will build on its history as the premiere forum for connected transportation, mobility and electrification.

Innovation & Impact Symposium

WHEN? Wednesday, June 14th 2017 from 9:00am – 5:00pm

(Reception to follow from 5:00pm – 7:00pm)

WHERE? Microsoft Conference Center

1065 La Avenida Street, Mountain View, CA 94043

WHO? Presented by ProspectSV, the Silicon Valley's leading non-profit innovation hub.

TIX? Available at Whova. Order online and also download their event app! <http://bit.ly/2mnfMWu>

Save \$10 off the ticket price by using the event code: CTO

PARKING? Free! Available in the Microsoft lots and on the street. EV parking in the back lot (enter on Macon Avenue).

Purchase your tickets by clicking here or the button below.

*Special rates available for government, nonprofit and education organizations.
