# EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

## Mission

EcoGreen Group creates professional and entrepreneurial opportunities in sustainability and clean technologies through education, professional development, industry collaboration, and networking.

The EcoGreen Group fulfills this mission through our

- online blog,
- social media,
- collaborative workspaces,
- volunteer opportunities,
- member projects,
- weekly and monthly meetings,
- and speaker events on specific sustainability topics.

- Aug 17 The Merry Connection – Beverly Turner
- Aug 24 Open
- Aug 31 Open

# EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

**Warm Ice - The Dynamics of Rapidly Changing Glaciers**  
by Bruce F. Molnia, USGS Physical Scientist

- **Glacier Numerology** – The how big, how long, how thick, how much, how often, of glacier science.
- **Glacier Photography** – While a picture may be worth a thousand words, a collection of images may tell a complete forensic story.
- **Glacier Geophysics** – How new technologies are being introduced to reexamine and refine decades old glacier analyses.

USGS Menlo Park Campus • **Free Public Lecture** • July 27, 2017 at 7PM

Watch LIVE online – [online.wr.usgs.gov/calendar](http://online.wr.usgs.gov/calendar)  
Map for lecture site on reverse

- USGS Evening Public Lecture Series – Dynamics of Rapidly Changing Glaciers
- July 27, 2017, 7pm - 9pm
- USGS Menlo Park Campus
- All about changing glaciers, from the experts!
- More info:

## **Jobs & Job Leads**

- Check out the [Green Jobs Tab](#) on our website!

# EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

## Jobs & Job Leads

- Jean Claude Junqua, our 8/10/17 speaker, is looking for a Business Development Manager with experience in energy/solar.
- Grid Alternatives are looking for some people to join their staff. Some of these are very interesting position.
- Amazon is having a hiring event next week. I heard they are looking to hire another 50K people. Really?
