Self-Introductions

EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

Mission

EcoGreen Group creates professional and entrepreneurial opportunities in sustainability and clean technologies through education, professional development, industry collaboration, and networking.

The EcoGreen Group fulfills this mission through our

- online blog,
- social media,
- collaborative workspaces,
- **volunteer opportunities** (see Rod)
- member projects,
- weekly and monthly meetings,
- and speaker events on specific sustainability topics.

EcoGreen Group of Silicon Valley

Creating Opportunities for Sustainability and Clean Technologies

Job

(Csix posting) Reputation.com, is looking for an articulate, creative and high energy energy

Senior Product Marketing Manager to develop and execute go-to-market plans for its Reputation Management platform. This position reports to the Director of Product Marketing with responsibilities that include the development and execution of product launches, sales enablement, product collateral, and competitive analysis. The ideal candidate is high energy, vocal, well written and is known for being the "glue" in cross-functional team situations. Reputation.com is a World Economic Forum Global Growth Company and is funded by the same top-tier venture capital firms that backed Google, Skype, Intuit and Microsoft.
