Creating Opportunities for Sustainability and Clean Technologies

## Mission

EcoGreen Group creates professional and entrepreneurial opportunities in sustainability and clean technologies through education, professional development, industry collaboration, and networking.

The EcoGreen Group fulfills this mission through our

- online blog,
- social media,
- collaborative workspaces,
- volunteer opportunities,
- member projects,
- weekly and monthly meetings,
- and speaker events on specific sustainability topics.

## Jobs & Job Leads

SPECIAL ANNOUNCEMENT

### **Silicon Valley Clean Energy is hiring for several more positions!**

SVCE is in startup mode. The program will serve more than 200,000 customer accounts and is scheduled to begin its first customer phase in April 2017. In the meantime, all operational aspects of the new agency and program are being built. SVCE is seeking to build its flagship team to develop the key administrative, marketing, and power resource management functions needed to launch this exciting and important program! Office location is in Sunnyvale, CA!

Visit our Website for information on how to apply: [www.SVCleanEnergy.org/JoinOurTeam](http://www.SVCleanEnergy.org/JoinOurTeam)

- Director of Marketing and Public Affairs
- Regulatory/Legislative Analyst
- Account Representative
- Administrative Analyst
